Joanna has an MA from Cambridge University and is a member of AICD. She is Treasurer of the National Young Writers Festival and a member of the CJQ Investment Committee.

3. Directors' meeting attendance

The number of Directors' meetings and the number of meetings attended by each of the Directors of the Association during the financial year are:

Director	No. of meetings attended	No. of meetings eligible to attend
Jane Perry	7	7
Robyn Petrou	7	7
Julie Lander	7	7
Debby Blakey	6	7
Leeanne Turner	6	7
Paul Watson	7	7
Laura Wright	6	6
Graeme Arnott	0	0
Ross Piper	7	7

4. Objectives and strategies

The Association is dedicated to supporting the professional development of leaders in the superannuation industry. FEAL provides members with unique opportunities to discuss industry issues and learn from the insights and experiences of their peers. The Association's programs include: a conference and forum, national luncheon briefings, presentations, scholarships and awards. In addition, the Association delivers a customised executive education program in partnership with Melbourne Business School that responds to the unique needs of senior executives working in superannuation, and a mentoring program that supports senior management develop their career goals.

The Association's long-term objective is to support the professional development and leadership capability of executives working in the Australian superannuation industry. Each event and program is developed in response to a specific need or opportunity to enhance learning, development and networking among our membership.

The Association's short-term objectives include the successful delivery and promotion of membership, the expansion of the MBS Executive Education Program and a commitment to identify and develop opportunities for the Association to partner with organisations that can extend the value we offer to fund executives.

The Association measures its success based on the following Key Result Areas:

- Engaging fund executives: The extent to which the Association maintains high levels of
 engagement with fund executives in the Australian superannuation industry. This is
 measured by attendance at FEAL conferences, lunches and events and the number of
 applicants for scholarship and award programs.
- Masters in Organisational Leadership: The extent to which the Association has built
 industry recognition and awareness of the FEAL Masters in Organisational Leadership
 delivered in partnership with Melbourne Business School. This is measured by attendance
 and new enrolments in the program.
- Engage superannuation fund CEOs: The extent to which the Association supports superannuation fund senior executives. This is measured by the direct involvement of senior executives in FEAL programs and the extent to which the member fund CEOs encourage and endorses staff participation in FEAL programs and initiatives.
- **Corporate membership:** The extent to which the Association attracts corporate members as a means of maintaining its reach to fund executives. This is measured by the retention and recruitment of new corporate members whilst taking into consideration fund mergers and industry consolidation that is occurring.
- **Respond to members' needs:** The extent to which the Association is able to develop new initiatives and adapt existing programs to respond to the changing needs of our membership.

5. Principal activities

The principal activity of the Association during the course of the financial year was to assist in the professional development of fund executives through a variety of programs including business events, scholarships and customised executive education programs.

There were no significant changes in the nature of the activities of the Association during the year.

6. Review of operations and performance measurements

The loss after tax of the Association for the year ended 30 June 2021 was \$247,937 (2020: Loss \$69,324) due to a high amount of sponsorship revenue being carried forward into the next financial year.

Review of operations

The Association's rate of growth was impacted by the coronavirus pandemic ("COVID-19") with a number of events delayed into the next financial year. Virtual events have been well attended.

Total members' funds have decreased to \$235,465 as at 30 June 2021 (2020: \$483,402).

Directors' report For the year ended 30 June 2021

Performance measurements

The Association continues to measure its performance based on the retention and engagement of members and the extent to which members participate and benefit from the Association's programs and activities. Membership levels have decreased due to a decline in the number of corporate members as a result of fund mergers. Attendance at the Association's programs remains strong despite the impact of COVID-19. The Association's Executive Education Program, delivered in partnership with Melbourne Business School, continues to retain and attract new students.

Likely developments

The Association is well placed to re-establish normal trading following the re-opening of the economy. Further information about the likely developments in the operations of the Association and the expected results of those operations in future financial years has not been included in this report because disclosure of the information would be likely to result in unreasonable prejudice to the Association.

7. COVID-19

COVID-19 was declared a worldwide pandemic by the World Health Organisation in March 2020. COVID-19, as well as measures to slow the spread of the virus, have since had a significant impact on global financial markets. Governments across the globe have enforced restrictions to limit the spread of the virus, whilst most governments have implemented economic stimulus packages. Despite these measures, there is still considerable economic uncertainty.

As a result of COVID-19, the operations and the financial performance of the Association have been impacted. The Association implemented plans to mitigate the impacts on both the employees as well as to the members of the Association. Due to social distancing measures, some scheduled events have been postponed and where possible events have been held as hybrid or virtual events.

The scale and duration of the COVID-19 pandemic remains uncertain and is likely to have a continuing negative impact on income and operational activities in the following year. It is not possible to estimate the near-term and longer-term effects of the pandemic or Government's varying requirements and efforts to combat the outbreak and support businesses. It is not practicable to provide a quantitative or qualitative estimate of the potential future impacts of this outbreak at this time.

8. Association particulars

Fund Executives Association Limited is incorporated in Australia. The address of the registered office is Suite 319, 160 Castlereagh Street, Sydney NSW 2000.

9. Members' liabilities

The Association is a company limited by guarantee. In the event of a winding up of the Association, each member undertakes to contribute an amount not exceeding \$1 to the

Directors' report For the year ended 30 June 2021

Association to pay outstanding liabilities and the costs of winding up. (Article 16.1 of the constitution was amended at the 2019 AGM and the amount reduced from \$100 per member to \$1 per member). The amendment was made due to the strong financial position of the Association.

The number of members as at 30 June 2021 was 935 (2020: 686) of which 907 members are drawn from 31 corporate member organisations, 28 are registered as individual members with 5 registered as FEAL life members. The total amount that members of the Association are liable to contribute if the Association is wound up is \$935 (2020: \$686).

10. Indemnification of officers and auditors

Since the end of the previous financial year, the Association has not indemnified or made a relevant agreement for indemnifying against a liability any person who is or has been an officer or auditor of the Association.

11. Lead Auditor's Independence Declaration

The Lead Auditor's Independence Declaration is set out on page 9 and forms part of the Directors' report for financial year ended 30 June 2021.

This report is made in accordance with a resolution of the Directors.

Jane Perry

Jane L. Perry

Chair

Signed at Sydney this 8th day of October 2021.

Lead Auditor's Independence Declaration under Section 307C of the Corporations Act 2001

To the Directors of Fund Executive Association Limited

I declare that, to the best of my knowledge and belief, in relation to the audit of Fund Executive Association Limited for the financial year ended 30 June 2021 there have been:

- i. no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- ii. no contraventions of any applicable code of professional conduct in relation to the audit.

1. Reporting entity

The financial statements for the Fund Executives Association Limited ("the Association") as an individual entity. The Association is a company domiciled in Australia. The Association's registered office is Suite 319, 160 Castlereagh Street, Sydney NSW 2000.

The Association is a not-for-profit entity and is primarily involved in the professional development of superannuation fund executives delivered through a variety of initiatives, including a national conference, a fund executive forum, scholarships, award programs and other industry research publications.

The Association is a public company limited by guarantee. In the event of winding up the Association, each member undertakes to contribute an amount not exceeding \$1 to the Association to pay outstanding liabilities and the costs of winding up. The number of members as at 30 June 2021 was 935 (2020: 686).

2. Basis of preparation

(a) Statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements adopted by the Australian Accounting Standards Board and the *Corporations Act 2001*.

The Board of Directors has determined that based on AASB 1053 *Application of Tiers of Accounting Standards*, the Association is not publicly accountable and has therefore applied Tier 2 reporting requirements.

The financial statements were approved by the Board of Directors on 8 October 2021.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis.

(c) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Association's functional currency. All financial information presented in Australian dollars has been rounded to the nearest dollar amount unless stated otherwise.

(d) Use of estimates and judgements

There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have a significant effect on the amounts recognised in the financial statements.

The preparation of financial statements in conformity with AASBs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

3. Significant accounting policies

(a) Financial instruments

The Association initially recognises loans, receivables and deposits on the date that they are originated.

The Association derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Association is recognised as a separate asset or liability.

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition loans and receivables are measured at amortised cost using the effective interest method, less any impairment losses.

Cash and cash equivalents comprise cash balances and call deposits. Cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes. For an investment to qualify as a cash equivalent it must be readily convertible to a known amount of cash and be subject to an insignificant risk of changes in value.

Financial liabilities are recognised initially on the date at which the Association becomes a party to the contractual provisions of the instrument. The Association derecognises a financial liability when its contractual obligations are discharged or cancelled or expire. Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Association has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

(b) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of the property, plant and equipment, and is recognised net within other income/other expenses in profit or loss.

Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Association, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

3. Significant accounting policies (continued)

(b) Property, plant and equipment (continued)

Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed and if a component has a useful life that is different from the remainder of that asset, that component is depreciated separately. Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment.

The depreciation rates for the current and comparative periods are as follows:

• Plant and equipment 7.5% - 40%

Furniture and fittings 7.5%

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

(c) Impairment

Financial assets

At each reporting period, the Association assesses whether financial assets carried at amortised cost are 'credit-impaired'. A financial asset is 'credit-impaired' when one or more events that has a detrimental impact on the estimated future cash flows of the financial asset have occurred. The Association recognises loss allowances at an amount equal to lifetime expected credit losses ("ECL") on trade and other receivables. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Lifetime ECLs result from all possible default events over the expected life of the trade receivables and are a probability-weighted estimate of credit losses. Credit losses are measured as the difference between cash flows due to the Association in accordance with the contract and the cash flows that the Association expects to receive.

The Association analyses the age of outstanding receivable balances and applies historical default percentages adjusted for other current observable data as a means to estimate lifetime ECL, including forecasts of interest rates and inflation, as well as the financial stress of counterparties and their ability to operate as a going concern. Debts that are known to be uncollectable are written off when identified.

Non-financial assets

The carrying amounts of the Association's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. Depreciated replacement cost is used to determine value in use. Depreciated replacement cost is the current replacement cost of the item less, where applicable, accumulated depreciation to date, calculated on the basis of such cost. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest

3. Significant accounting policies (continued)

(c) Impairment (continued)

Non-financial assets (continued)

group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets the "cash-generating unit" or "CGU".

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in statement of comprehensive income.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(d) Employee benefits

Defined contribution superannuation plans

A defined contribution superannuation plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Other long-term employee benefits

The Association's net obligation in respect of long-term employee benefits, other than defined contribution plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on Commonwealth Government securities that have maturity dates approximating the terms of the Association's obligations.

Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

(e) Revenue

Membership, sponsorship and event income

Membership, sponsorship and event income are recognised on an accrual basis. Where sponsorship or event income is received prior to year end and relates to the following year, it is treated as unearned income and brought to account as income in the following year.

(f) Finance income

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

3. Significant accounting policies (continued)

(g) Income tax

Income tax expense comprises current and deferred tax. Current and deferred tax are recognised in profit or loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the period, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(h) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax ("GST"), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

(j) Leases

Leased Right Of Use (ROU) assets are capitalised at the commencement date of the lease and comprise of the initial lease liability amount, initial direct costs incurred when entering into the lease less any lease incentives received. These assets are accounted for as separate asset classes to corresponding assets owned outright, but included in the same column as where the corresponding underlying assets would be presented if they were owned.

The depreciation rates for ROU assets are based on the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term.

FEAL leases office space in Sydney; the lease was renewed on 15th December 2020 for 12 months.

Notes to the Financial Statements For the year ended 30 June 2021

12. Members' funds

The Association is a company limited by guarantee. There is no equity in the form of share capital contributed by the members.

13. Financial instruments and financial risk management

The Association has exposure to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk

This note presents information about the Association's exposure to both risks, its objectives, policies and processing for measuring and managing risk. Further quantitative disclosures are included throughout this financial report.

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework. Risk management policies are established to identify and analyse the risks faced by the Association, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Association's activities. The Association aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

Credit risk

Credit risk is the risk of financial loss to the Association if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Association's cash and cash equivalents and receivables.

Management manages credit risk by placing cash and bank deposits with financial institutions which are regulated and management does not expect any counterparty to fail to meet its obligations. Management has not established any credit limits due to the nature of the Association's operations. The Association does not have any material credit risk exposure to any single debtor.

The Association's maximum credit exposure at 30 June 2021 was \$619,041 (2020: \$833,751) represented by the Association's exposure to cash and cash equivalents, and receivables.

There are no financial assets that are past due or impaired at 30 June 2021 (2020: NIL).

Liquidity risk

Liquidity risk is the risk that the Association will not be able to meet its financial obligations as they fall due.

The Association's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet it liabilities when they come due, both under normal and distressed situations.

At 30 June 2021 and 30 June 2020, all financial liabilities had a maturity of less than six months.

		2021 \$	2020 \$
14.	Operating leases		
	Non-cancellable operating lease payable are as follows:		
	Less than one year	11,382	12,803
	Between one and five years	-	-
		11,382	12,803

The Association leases office premises under operating leases.

15. Related parties

The following persons were directors and key management personnel of the Association during the financial year and up to the date of this report unless otherwise stated:

Jane Perry (Independent Chair)	Graeme Arnott (resigned 31 July 2020)
Debby Blakey (resigned 30 June 2021)	Laura Wright (appointed 10 August 2020)
Leeanne Turner	Ross Piper
Robyn Petrou (resigned 30 June 2021)	Damian Wills (appointed 1 July 2021)
Julie Lander	Joanne Townsend (appointed 1 July 2021)
Paul Watson	Joanna Davison

The key management personnel compensation (including remuneration for staff and Independent Chair) comprised the following:

	439,909	434,661
Post-employment benefits	55.399	48,170
Short-term employee benefits	384,510	386,491
	2021 \$	2020 \$

With the exception of the Independent Chair, FEAL directors serve in an honorary capacity and are not remunerated. There were no other related party transactions during the year.

16. Auditor's remuneration

No audit fees are paid by the Association as KPMG Australia provide their services on an honorary basis.

17. Subsequent events

At the date of signing the financial statements, there remains uncertainty as to the likely duration and impact of COVID-19 on the Australian economy and the operations of the Association. The Association has considered the impact of the pandemic and has assessed no changes required to the financial statements subsequent to the end of the financial year. The Association continues to monitor the potential impact of COVID-19 on the operations and financial position and performance.

Other than the matter outlined above, there have been no other events subsequent to the balance date which would have a material effect on the Association's financial statements at 30 June 2021.

Directors' declaration For the year ended 30 June 2021

Directors' declaration

In the opinion of the directors of the Fund Executives Association Limited ('the Association'):

- (a) the Association is not publicly accountable;
- (b) the financial statements and notes that are set out on pages 10 to 25 are in accordance with the *Corporations Act 2001*, including:
 - (i) giving a true and fair view of the Association's financial position as at 30 June 2021 and of its performance, for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards Reduced Disclosure Regime and the Corporations Regulations 2001; and
- (c) there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

Signed at Sydney this 8th day of October 2021 in accordance with a resolution of the directors.

Jane Perry

Jane L. Perry

Chair

Independent Auditor's Report

To the members of Fund Executive Association Limited

Opinion

We have audited the *Financial Report* of Fund Executive Association Limited (the Association).

In our opinion, the accompanying Financial Report of the Association is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Association's financial position as at 30 June 2021 and of its financial performance for the year ended on that date; and
- complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.

The Financial Report comprises:

- Statement of financial position as at 30 June 2021
- Statement of comprehensive income, Statement of changes in members' funds, and Statement of cash flows for the year then ended
- Notes including a summary of significant accounting policies
- · Directors' Declaration.

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Association in accordance with the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

Other Information is financial and non-financial information in Fund Executive Association Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the Directors' report.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Act 2001
- implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error
- assessing the Association's ability to continue as a going concern and whether the use of the
 going concern basis of accounting is appropriate. This includes disclosing, as applicable,
 matters related to going concern and using the going concern basis of accounting unless they
 either intend to liquidate the Association or to cease operations, or have no realistic alternative
 but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at:

 $\underline{\text{http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf}} \ \ \text{This description forms part of our Auditor's Report.}$
